Peter Tervet - Profile

It is an honour to be nominated as a Director of Oxfordshire Cricket. Since relocating to this part of the world over a decade ago, cricket has been an integral part of my family life. My involvement has spanned various roles, including player, volunteer, coach, and Chairman at Thame. The journey has been immensely rewarding.

As a parent of two boys and a girl, I have personally witnessed the immense value that junior club cricket and the county pathway bring to young people. This first-hand experience motivates me to ensure that we do our utmost to give everybody the best opportunities and support to develop through cricket.

In my professional life, I serve as the COO of an environmental not-for-profit organization and MD of its trading subsidiary. While my background predominantly lies in accounting, my true professional calling lies in fostering meaningful connections with people and driving strategic growth. Through my extensive involvement in the not-for-profit sector and my work with small and medium-sized high-growth businesses, I have acquired a deep understanding of how effective governance can support growth and manage risks. I am committed to leveraging this knowledge to benefit the Oxfordshire cricket community.

The Oxfordshire Board consists of exceptional individuals who are highly motivated and accomplished in their respective fields. I commend the Board and Executive for their outstanding efforts, and I look forward to collaborating with them, and continuing to make a lasting positive impact on Oxfordshire cricket.
